

Why Choose Us?

At Metal Fab Guys, we don't just meet industry standards - **we redefine them**. Our team of skilled engineers and craftsmen harness the power of technology to push boundaries and deliver products that stand the test of time.

Whether it's creating custom components or large-scale structures, our capabilities are second to none. But our dedication to innovation doesn't stop there. We continuously **invest in research** and development to stay at the forefront of our field. By embracing new technologies and techniques, we remain agile and adaptive, ready to tackle even the most complex challenges with precision and confidence.

Come visit us and experience the synergy of American craftsmanship and state-of-the-art technology. Together, let's **elevate industry standards** and build a future where innovation and quality converge seamlessly.

Who We Are

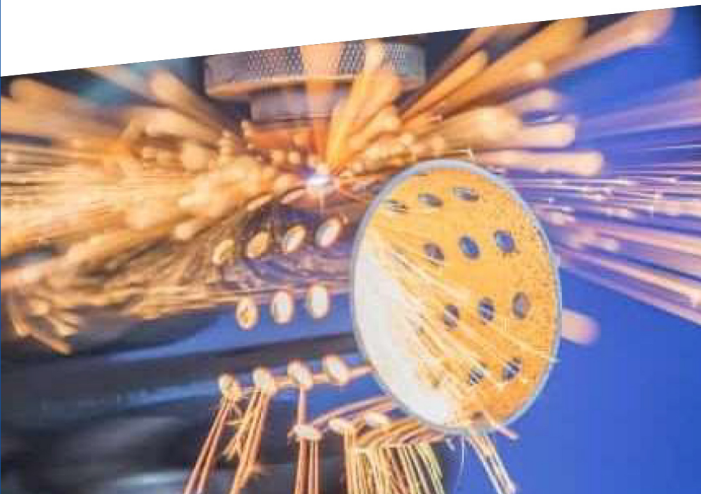

We are a Veteran Owned Small Business specializing in precision metal fabrication. By combining American craftsmanship and state of the art technology, we have elevated industry standards by using the latest advancements in engineering technology.

Our Mission

Uncompromising Craftsmanship - Our mission is to uphold the tradition of unparalleled craftsmanship, where every cut, bend, weld, and finish reflects our commitment to excellence.

Our Culture

At Metal Fab Guys, our culture is built on collaboration, learning, and ensuring every team member feels at home, reflecting our belief that work should be both enjoyable and fulfilling.

Our Services

Our commitment to excellence is powered by the latest advancements in manufacturing technology. With our precision CNC machines to advanced robotic welding systems, every step of our production process is meticulously engineered to ensure quality, consistency, and quick turnaround times.

Laser Sheet Metal Cutting

Hans Fiber Laser Cutting Machine with 1 inch thick capacity

Rotary Tube Laser Cutting

Hans T5A Rotary Tube Laser with 21 foot capacity

Metal Forming

Amada Press Brake capable of complex multi-step forms

Powder Coating

Reliant Backdraft powder coating booth & oven with a 12x12x20 foot capacity

Laser Welding

Hans 3-in-1 laser machine for welding, cleaning, and cutting

Assembly & Packaging

Bringing together fabricated components to deliver ready-to-use, high-quality final products.

Metal Fab Guys is a pioneering contract manufacturer and direct-to-consumer e-commerce brand in the metal fabrication industry. We provide cutting-edge solutions that meet the diverse needs of our customers.
